

RoHS Compliance

(Restriction of Use of Hazardous Substances)

The PVC (CMR4240 Nat 01) used in Crownduit, LLC® products is RoHS and WEEE compliant. Lead, hexavalent chromium, mercury, cadmium, PBB (polybrominated biphenyls) and PBDE (polybrominated diphenyl ethers) are not designed into the compounds and will be found at 0.1% (0.01% for cadmium) or less in the compounds.
